# EXPERT WITNESS

For more than ten years, FC International has provided expert witness services related to construction claims and disputes during mediation, adjudication and arbitration.

The team at FC International applies their invaluable expert knowledge and technical skills to prepare supporting evidence that helps the legal team reach the best outcome.

We have been involved in many adjudication and arbitration cases on disputes that range from \$200K to \$30 mil by conducting forensic analysis, preparing extension of time, contract administration guidance, and witness statements.

We incorporate the latest technology (4D planning and BIM) to resolve disputes by providing detailed and visual supporting evidence
