

KEEPING CONSTRUCTION PROJECTS ON TIME.

'Teamwork - one goal'

TRAINING

FC International has a vast experience providing training on a variety of construction and engineering topics.

Fouad El Chikhani has been providing tailored trainings to Contractors, Developers, Engineer Firms and Lawyers. He was invited by Massey University to write and lecture on new papers for the Master of Construction Management degree and he was a speaker/presenter at the Society of Construction Law seminar in 2014 and 2019 in Auckland and Wellington.

**Trainings are customized based on client's requests;
some of the regular topics are:**

- Extension of time
- Construction Programming
- Concurrent Delays
- Risk Management
- Documentation of supporting evidence
- NZS: 3910
